Hi Eligio,

I wanted to reach out as I haven't seen your registration come through for our November training tomorrow at 2 PM ET / 11 AM PT. There's still time to join us for Getting Community Buy-in for Policing Technology.

Our discussion will feature an in-depth look at how two agencies successfully secured funding for ALPR in their community and gained the city council's and constituents' trust. There will also be a live Q&A at the end if you have a specific question.

You can save your spot here.

See you there!
